Time to Inspire

We influence to make a change globally for the better and exemplary outcomes. Making you think about the timeless designs that brings a drastic effect of elegance to you place.

Reflection
Of Nature

The Core Value

Big Tiles is a name to reckon with pride in the real estate development in Gujarat. We do not design merely a tiles. We design every square inch with impeccable quality. Every inch of it speaks aloud of our quality, success and commitment. Since 2008, we have developed more than 150, 00,000 square meters of tiles. This in itself is enough to prove our expertise. we believe that real success is not in earning money but in earning trust. And we are in proud possession of this treasure called trust of our valued customers. We understand that time is an essence. And that's why we tolerate no delays and have a record of timely delivery of all materials. With this, we have never compromised a bit in providing the finest quality with magnificent designs. Customer satisfaction is at the core of whatever we do.

Minimal Contemporary

Varnish' ceramic projects are part of a range of single calibre rectified modular sizes that allow for coordinated use of different collections.

Glisten has also exploited its stylistic sensibility to select the ideal colours and shades for these interesting new combinations of materials.
